

Rang a hAon le Mrs. Purcell agus Mrs. Fleming

We began *Fantastic Mr. Fox* in September. The class are really enjoying the experience of being read to. We made Mr. Fox masks and described him using our knowledge of adjectives.

1. Ready for take-off from Mars!

2. Safe landing in the car park.

3. Aliens searching for evidence.

4. Aliens return to their leader with autumn evidence.

As part of our oral language and drama we had a role play involving the children being aliens "sent from space to find out more about this place".

Our theme for October is autumn and we made an autumn adjective display.

We learned all about trees in September. The children can tell the difference between deciduous trees and evergreen trees. They can also identify trees by their seeds and leaves.

Staying with our autumnal theme we planted conkers. The children have brought them home and hopefully they will sprout in spring!
